Community Collages Unveiling

PART 1:
• Each coalition will give a two-minute pitch to encourage or convince members from other coalitions to visit your collage.

PART 2:
• Everyone should visit the collage displays of other coalitions and use post-it notes to leave:
  • Your name
  • Questions or areas of shared interest
• Each coalition should follow-up with each person that leaves a post-it note on their collage

Upstream Action Acceleration Learning Collaborative

Build “a smart network” of varied coalitions across the state for:

• Cross-site learning
• Cross-sector learning
• Contributions to the field

Methods:

• In-person convenings
• Videoconference meetings
• Ad hoc opportunities based on needs, interests

Outside expertise beyond the UAA network needed

www.healthyplacesbydesign.org
1. What needs do you/your coalition have in order to participate in videoconference learning and networking sessions?

2. What is the right frequency to engage you/your coalition in learning and networking activities? Note frequencies for in-person and virtual activities.

3. What have you liked/what’s worked well from previous learning collaborative experiences?

4. What should we avoid as we build the UAA learning collaborative?
